Story's header's title

1. Once you are at the editor area, go to the text at the left corner to change the current title of:

“Presentation”

to the title you want to give to your story.

Reisen Bear's story's title is:

“Secrets of Turku”

Now it is ready!

Review the header's title

(1) You can review the new title at

the “home” of your editor .
The home is where all the stories
are collected.

(2) If you click view  you
will see the header.
